OBJETIVO

Get a job that allows me to apply my experiences and knowledge in my sector and in the different areas of the company, in order to develop professionally and contribute energy to the work group for the good performance of the assigned functions. Despite not having much experience in formal jobs, I have been a sales employee in small restaurants, automotive service centers and building materials sales, as well as having worked for Concentrix Global in customer service and account sales and I have gained some useful experiences in those jobs and I am ready to apply my knowledge in your company.
